

# SICE FES 2024

SICE Festival 2024 with Annual Conference

**Kochi University of Technology**  
**Kochi, Japan**  
**August 27-30, 2024**

## Committee Members

### General Chair

Kenji Terada (Tokushima Univ)

### Vice General Chair

Koichi Oka (Kochi Univ of Tech)

### Program Chair

Kenji Ikeda (Tokushima Univ)

### Program Vice-Chair

Shoichiro Fujisawa (Tokushima Bunri Univ)

### Publication Chair

Hiroyuki Ukida (Tokushima Univ)

### Organized / Invited Session Chairs

Masahiro Takaiwa (Tokushima Univ)

Masafumi Miwa (Tokushima Univ)

### Tutorial / Workshop Chairs

Tomohiro Kubo (Tokushima Univ)

Minoru Fukumi (Tokushima Univ)

### Poster Session Chair

Yukinobu Hoshino (Kochi Univ of Tech)

### Registration Chair

Tomoaki Kashiwao (Kindai Univ)

### Publicity Chair

Akihito Noda (Kochi Univ of Tech)

### Exhibition & Industrial Relations Chair

Shin Nakayama (NIT, Kochi College)

### Finance Chairs

Takashi Yasuno (Tokushima Univ)

Hiroshi Suzuki (Tokushima Univ)

### Local Arrangements Chair

Toru Kurihara (Kochi Univ of Tech)

### Local Arrangements Vice Chair

Motomichi Sonobe (Kochi Univ of Tech)

### Secretariats

Shinsaku Izumi (Kochi Univ of Tech)

Yuichi Nagata (Tokushima Univ)

Koichi Suzuki (SICE)

## Call for Papers

The SICE Festival 2024 with Annual Conference, organized by the Society of Instrument and Control Engineers (SICE), will be held on August 27-30, 2024, at Kochi University of Technology Eikokuji Campus, Kochi, JAPAN. This festival is the biggest event in SICE and the conference is an international conference covering a broad range of fields from measurement and control to system analysis and design, from theory to application, and from software to hardware, and will provide an opportunity for both academic and industrial engineering practitioners in measurement and control fields to present their work and discuss their ideas. The technical program of the conference will consist of plenary and invited talks, tutorial courses, and workshops, as well as oral and interactive sessions.

## Conference Venue

The SICE Festival 2024 will be held at Kochi University of Technology Eikokuji Campus located in the center of Kochi city. It is close to Kochi Castle, Harimaya Bridge, and Hirome Market, and is easy to access by walking from Kochi station and by bus from Kochi Airport. The scenic Katsurahama Beach, the Makino Botanical Garden named after the botanist Tomitaro Makino, and the Niyodo River known for its crystal clear water, are also accessible.

## Important Dates

February 13, 2024 : Deadline of Proposal of Workshops and Tutorials

February 26, 2024 : Deadline of Proposal of Organized Sessions

March 18, 2024 : Deadline of Submission for Regular Papers and Position Papers

May 17, 2024 : Notification of Paper Acceptance

June 24, 2024 : Submission of Final Camera-ready Papers

## Paper Submission

The SICE Festival 2024 with Annual Conference accepts two types of submissions for review. Regular paper: Full papers (4-6 pages in conference format) must be submitted for review. The accepted papers will be submitted to the IEEE Xplore Digital Library. The normal length for the final manuscript of the regular paper is 6 pages. Papers exceeding 6 pages may be submitted upon payment of overlength page charges. A maximum of 2 extra pages over 6 pages are permitted. Position paper: Extended abstracts (2-4 pages in conference format) must be submitted for review. This category is provided for authors who want to present a timely review of research, a case study, and so on. This type of paper will NOT be included in the IEEE Xplore Digital Library. Both types of papers should be written in English and will be included in the conference proceedings. The detailed submission policy is found on the conference web page.

## Organized Session Submission

The goal of organized sessions is to provide focused discussions on a new topic or innovative applications of a new approach. Each session consists of 5-6 papers, which will be reviewed via the normal review process. Both regular and position papers can be included in a session. For session proposals, it is recommended to include a brief statement of the session focus, together with the submission of the individual papers. For further instructions, please visit the conference web page.

## Workshop and Tutorial

Proposals for workshops or tutorials that address technical topics related to control, automation, and systems in general, are welcome. We encourage such programs that will attract industrial members, and programs with highly anticipated levels of interest, impact, creativity, and technical background of presenters. For details, please see the conference web page.

## Technical Co-Sponsor (Tentative)

IEEE Control Systems Society (CSS),  
IEEE Robotics and Automation Society (RAS)  
IEEE Industrial Electronics Society (IES),  
Institute of Control, Robotics and Systems (ICROS),  
International Society of Automation (ISA),  
Technical Committee on Control Theory (TCCT),  
Chinese Association of Automation (CAA),  
Japan Electric Measuring Instruments Manufacturers' Association  
(JEMIMA),  
Electrical Engineering/Electronics, Computer, Telecommunications and  
Information Technology Association (ECTI),  
Control Society of India (CS)  
China Instrument and Control Society (CIS),  
Asian Control Association (ACA)

## Topics of the conference

The conference will be focused on, but not limited to, the following topics:

### Measurement

Sensors and Transducers  
Signal and/or Image Processing  
Identification and Estimation  
Opto-Electronic Measurement  
Electronic Measurement  
Remote Sensing  
Mass and Force Measurement  
Temperature Measurement  
Ultra-High Precision Measurement  
High Precision Measurement  
Analytical Measurement  
Standard of Measurement  
Flow Measurement and Control  
Networked Sensor System

### System and Information

System Engineering  
Human  
Machine Systems  
Intelligent Systems  
Autonomous Decentralized Systems  
Computational Intelligence  
Discrete Event Systems  
Social Systems  
Hypercomputes  
Molecular Robotics  
Relationality-Oriented Systems Science  
Oriented Systems Science  
Smart Mobility Systems

### Control

Multivariable Control  
Nonlinear Control  
Robust Control  
Adaptive and Optimal Control  
Intelligent Control  
Computer Aided Design  
Modeling, System Identification and Estimation  
Process Control  
Mechanical Systems Control  
Guidance and Flight Control  
Power Systems Control

### Industrial Applications

Process Automation  
Factory Automation  
Laboratory Automation  
Information Management Systems  
SCADA and Network Systems  
Manufacturing Systems  
Transportation Systems  
Micro and Nano Devices  
Components and Devices  
System Integration  
Mechatronics Systems  
Robotic and Automation Systems  
Human Interfaces  
Virtual Reality Systems  
Entertainment Systems  
Medical and Welfare Systems

Safety, Environment and Eco-Systems  
Agricultural and Bio-Systems  
Rescue Systems  
Simulation of Large Systems  
Network System Integration

### Life Engineering

Integrative Biophysical Engineering and Informatics  
Biological and Physiological Engineering  
Electrophysiology and Kinesiology  
Ubiquitous Healthcare

### Others

# SICE FES

## SICE Festival 2024 with Annual Conference

### August 27-30, 2024

Kochi University of Technology,  
Kochi, Japan
