The Auditor:

Kenji Hatou

University and college in shikoku

- ① Kochi university of technology
- ② Anan national college of technology
- ③ The university of tokushima
- ④ Tokushima bunri university
- ⑤ Kagawa university

Policy of chapter

One of the primary functions of the chapter is to provide an educational forum to (1) educate young researchers, (2) exchange up-to-date information, and (3) establish new collaborations across different engineering fields exploring "Instruments" and "Controls". For this purpose, we will hold brand-new symposium in this autumn.

Kochi university of technology

- ⑥ Takamatsu national collage of technology
- ⑦ Takuma national collage of technology
